REGARDLESS OF WHAT YOU MAY HAVE HEARD—Coker 413 is an outstanding Cotton. Because weather conditions were unfavorable last fall for this and other varieties, and because the mills didn't pay the expected premium for Coker 413, seed of this variety need "friends" and are selling cheap. **This Cotton will come back.** We urge that you try it again. You may be well rewarded—and for now the seed are going at bargain prices. **SEE INSIDE FOR OUR PRICES ON PEDIGREED AND CERTIFIED COKER 413!**
